

**WORKSHOP MEETING
BOARD OF COMMISSIONERS
TOWN OF REDINGTON SHORES
TUESDAY, SEPTEMBER 26, 2006 – 7:00 P.M.**

MINUTES

PRESENT UPON ROLL CALL: Mayor Armstrong, Vice Mayor Adams, Commissioner Branch, Commissioner Holthaus, Building Official Steve Andrews

OLD BUSINESS

Joint Public Meeting to Review Land Development Rewrite

Mayor Armstrong explained that, since the revised information from the joint PPC, LPA meeting was just received yesterday, this item will be tabled until October in order for everyone involved to have adequate time to review the changes.

NEW BUSINESS

Review of Permitted Uses in Zoning Districts

Mayor Armstrong said that, given that Wilson Miller is redoing parts of the Code, and Building Official Steve Andrews is also working on the Code, it is premature or redundant to discuss this issue at this time. Vice Mayor Adams said that he does not see a reason to change things now; there are so many business “plus and minuses.” Commissioners Branch and Holthaus concurred.

MISCELLANEOUS

Commissioner Holthaus reminded the Commission that the office still needs a new copy machine. Mr. & Mrs. Miller asked that the Town investigate removal of a large dead palm tree located at 17719 Gulf Blvd. It was agreed that Steve Andrews would check into it, and, if necessary, have it removed.

Regular Meeting – Tuesday, October 10, 2006 – 7:00 p.m.

Workshop Meeting – Tuesday, October 31, 2006 – 7:00 p.m.

Respectfully Submitted,

Patti Herr
Administrative Secretary
