Redington Shores, FL 33708

CALL TO ORDER – 5:00 P.M.

OLD BUSINESS

1. Town Picnic: Much of the meeting was spent reviewing the Town Picnic of October 14. The consensus was that this year was the best attended picnic ever held and that everyone who attended enjoyed themselves and appreciated the event. There was a lot of discussion on how to fine tune and improve next year's picnic.
2. Landscaping: One response was received from the RFP posted on Demand Star. This response from Kimley Horn focused on the company and did not address the project in the RFP – helping the town develop a consistent look and feel. It was mentioned that the application was too onerous for small companies to apply and that we may need to go back to the drawing board. It was suggested that we take Doris's (IFAS rep) advice and start with the "worst first" then progress through other locations. It was decided that our next meeting will be devoted to this phase of refocusing.

NEW BUSINESS
