“Persons are advised that, if they decide to appeal any decisions made at this meeting, they will need a record of the proceedings, and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.”

“The Town maintains a tape recorder for all public hearings. In the event that you wish to appeal a decision, the tape may or may not adequately ensure a verbatim record of the proceedings. Therefore, you may wish to provide a court reporter at your expense.”
