Discussion on Short List of Candidates for Town Administrator Position

Mayor Henderson thanked Pam Brangaccio for her work and producing a short list for the Commission to review. Pam addressed the Commission explaining the short list provided was guided by the standards the town set. There are other interesting candidates, it is all about the fit. Pam continued explaining to the Commission the process they can go through to reach their goal of selecting a Town Administrator. There will be a ballot selection that each commissioner will hand in, with a signature on the ballot. Discussion regarding the two commissioners via the phone, it was decided they can email in their selection. At this time, each Commissioner discussed their goals for a Town Administrator and their findings when reviewing the resumes. Following the discussion, each Commissioner submitted a signed ballot with their choices of candidates to interview. After submission of the ballots, the count was, Daniels, four; Ladner, four; Hendrickson, three; Wilson, two and Shoobrid, two. The Commission discussed interviewing all five listed, the candidates out of state, would have a choice if they want to have a zoom interview or in person. If they choose in person, the cost of travel would be paid by them, not the town. Vice Mayor Robinson moved to interview, the five choices either in person or via zoom, which will be the candidate's choice, any travel expenses will be paid by candidate, seconded by Commissioner Krouk. Mayor Henderson asked for any discussion from the Commission or audience. Resident, Tom Kapper, commented he would rather have the interview in person, rather than zoom. There being no further discussion, roll call: all yes. Town Clerk Palmer will set up the interviews allocating an hour for each candidate. The Special Meeting has been set for February 2, 2022, at 10:00 a.m.
