Protect With Honor, Serve With Pride

To: The Honorable Mayor Patrick Soranno, Members of the Indian Shores Town Council, Members of the Administrative and Finance Committee, The Honorable MaryBeth Henderson, Redington Shores Town Administrator, Redington Shores Town Clerk, Distinguished Commissioners of Redington Shores

From: Chief Richard H. Swann Jr.

Date: November 10th, 2022

Re: FDOT Enhanced Law Enforcement Engagement Challenge (ELEE)

From April to August 2022 the Indian Shores/Redington Shores Police Department participated in an Enhanced Law Enforcement Engagement (ELEE) in FDOT District 7 which encompasses Hillsborough and Pinellas Counties. This engagement program focused on traffic enforcement on FDOT roadways within the district, and our Agency was specifically directed toward enhanced enforcement efforts along Gulf Blvd within our jurisdictions. Twenty-one (21) agencies, both large and small, from both counties participated in this engagement in the district.

On October 27, 2022, FDOT held an awards ceremony and recognized the top performing agencies. The Indian Shores Police Department was ranked 5th overall Law Enforcement agency among agencies like Tampa PD, Pinellas County Sheriff's Office, and St. Petersburg PD.

As a result of our officers' efforts, and our 5th place ranking, the ISPD was awarded the below listed equipment from FDOT that is valued at \$16,000.00. This new equipment will be used to enhance our traffic safety efforts in Indian Shores and Redington Shores going forward.

This is a significant accomplishment, especially given the size of our agency, and all ISPD Officers should be commended for their efforts. The ISPD looks forward to participating in these type of Traffic Safety engagements in the future.

Below is a list of the equipment the department was awarded and received.

- (2) "Stalker" brand vehicle radar systems
- (2) "True Speed" portable laser units
- (8) "Pi-Lit" sequential vehicle light systems
- (8) "Guardian" traffic safety lights

Respectfully,

A handwritten signature in blue ink, reading "Richard H. Swann, Jr.", written over a horizontal line.

Richard H. Swann, Jr.
Chief of Police
Indian Shores Police Department

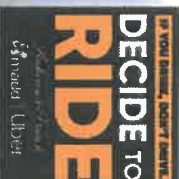

Enhanced Law Enforcement Engagement Program History

FDOT District Seven Enhanced Law Enforcement Engagement 2022 Awards

Through the ELEE program, FDOT District Seven recognizes agencies that are leaders in traffic safety and support the goal of encouraging increased districtwide enforcement of traffic safety laws to reduce traffic crashes, serious injuries, and fatalities. Participating agencies document the outcomes of their enforcement efforts using an easy-to-use online system and, in return, are rewarded by earning equipment such as lasers, radar, and speed feedback trailers.

Re: Life Saving Commendation(s)

During the Redington Shores Commission Meeting on September 14, 2022, former Commissioner Jeff Neal (Jeff) collapsed in his chair and suffered a massive heart event and was in full cardiac arrest. His heart had stopped beating and he was not breathing. Jeff was laid on the floor so we could assess the seriousness of the situation.

Redington Shores citizens, Mr. Richard (Rich) Perez, and Dr. Marek Stobnicki (Merek), and his wife, Dr. Ola Stobnicki were in the audience, attending the meeting. Rich Perez, and Marek immediately moved in and assisted Major Glen Smith and me in clearing Jeff's airway in preparation of performing CPR. We retrieved and activated the Town's AED. Following one shock from the AED, Jeff's heartbeat and breathing was restored. We monitored Jeff's heartbeat (with the AED) and his breathing until paramedics arrived.

We continued to assist Madiera Beach (MBFR) and Pinellas Suncoast Fire Rescue (PSCFR) ALS units as they attached their AED and other equipment and started an intravenous line with medication. Jeff went into cardiac arrest several more times and paramedics had to administer (3) additional shocks from their AED in order to stabilize him enough to be transported to a hospital.

Everyone involved worked cohesively as one professional group focused on the mission of doing whatever we could to save Jeff's life. There were no politics, no opinions, no likes, or dislikes, no egos, or power struggles; just people helping each other in a time of crisis. The actions initiated that night resulted in Jeff Neal being revived and his heartbeat and breathing being stabilized within minutes. As a result, Jeff did not sustain serious effects and I am thankful to say that Jeff Neal is still with us and on the road to recovery.

Both fire companies and the personnel that arrived from PSFR and MBFR worked together professionally and with great urgency and are to be commended for the extensive work performed to save Jeff Neal's Life.

This is an example of people at their finest in a dire situation.

Sincerely,

Richard H. Swann, Jr.
Chief of Police

November 1, 2022

Dear Town Administrator Shoobridge,

Attached are the lists of Fire and Emergency Medical Service (EMS) responses to your Town for the month of October 2022. These lists are broken into both Emergency and Non-Emergency responses. The average response times in each category are noted at the end of the report.

The report is self explanatory with the exception of the type of Fire or Medical call referred to as "code". Only the codes which are reflected in this month's summary report are listed below.

-
- There were zero (0) **Non-Emergency Fire** responses for this time period with a response time of N/A minutes.
 - There were three (3) **Emergency Fire** responses for this time period with an average response time of 7:21 minutes.

Code F52 Code for Fire Incident – Fire Alarm

-
- There were five (5) **Non-Emergency EMS** responses for this time period with an average response time of 5:32 minutes.
 - There were eleven (11) **Emergency EMS** responses for this time period with an average response time of 4:08 minutes.

Code ME Code for Medical Incident

Should you have any questions regarding this report, please feel free to contact me at (727) 393-8711 ext. 217.

Sincerely,
Heather L. Barford
Fire Chief
