"Persons are advised that, if they decide to appeal any decision made at this hearing, they will need a record of the proceedings, and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based."

"The town maintains a tape recording of all public hearings. In the event that you wish to appeal a decision the tape may or may not adequately ensure a verbatim record of the proceedings. Therefore, you may wish to provide a court reporter at your expense."
