Budgetary Highlights

The City's fiscal year 2024 budget totals \$9,262,240 for all funds. This amount is comprised of \$4,258,625 in the General Fund, \$2,502,915 in the Capital Improvement Fund, and \$2,500,700 in the Sewer Fund.

The Town continues to strive for transparency by evaluating the Town's operational departments to provide a clearer picture of spending patterns and needs.

The capital budget and strategic plan are being restructured to allow the accumulation of reserve accounts for various projects and provide a more comprehensive accounting of capital needs with a focus on strategic planning.

The budgeted Ad Valorem revenue of \$1,744,375 is based on the existing millage rate, which remains unchanged from the previous year.

The proposed budget includes funding a 5% cost of living increase for staff and availability of 2% merit increases on their anniversary date.
