# Town of Redington Shores, Florida <u>Memorandum</u>

**To:** Mayor and Town Commission

**Date:** August 31, 2023

**Subject:** 1<sup>st</sup> Public Hearing - setting millage rate for fiscal year 2023-2024

#### **BACKGROUND**

Chapter 200 of the Florida Statute "Determination of Millage" sets a statutory timetable and procedure for the calculation and notification to the public of the process to set a final ad valorem tax millage and adopt a budget. The statute identifies the time frames and briefly describes the procedures to be accomplished during that time frame.

# **DISCUSSION**

Per Pinellas County Property Appraiser (Certification of Taxable Value DR-420), the FY 2023-2024 preliminary gross taxable value of property within the Town of Redington Shores is \$1,075,436,960 which is 12.78% more than the FY 2022-2023 Final Gross Taxable Value of \$953,544,975.

Staff proposes setting the final ad valorem millage rate at 1.6896. The proposed budget reviewed by the Town Commission at the Budget Workshop held on July 26, 2023, is predicated on this millage rate. The final millage rate, at 1.6896 mills, will produce approximately \$1,744,375 in net ad valorem tax revenues (net of 4% discount), representing an increase of \$182,335 over last year's budget of \$1,562,040.

The Department of Revenue also requires that the city calculate a rolled-back millage rate. The rolled-back rate is defined as the millage rate that would generate the same amount of ad valorem tax revenue as was levied during the prior year. The rolled back rate is calculated at 1.6854. The proposed millage rate of 1.6896 is 0.25% higher than the rolled back rate of 1.6854.

#### RECOMMENDATION

Staff respectfully requests that Commission set the proposed millage rate at 1.6896 mills for Fiscal Year October 1, 2023, through September 30, 2024. The Millage must be adopted first. The millage and budget must be adopted by separate votes.

Upon adoption of the motion, the Mayor will announce:

The proposed millage rate of 1.6896 mills, which is higher than the rolled-back rate by 0.25%, is to fund the expenses of the General Fund for the Fiscal Year commencing October 1, 2023 and ending September 30, 2024. The final approved millage rate for the Town of Redington Shores will be presented at a second and final public hearing that will be held on Wednesday, September 20, 2023, at 6:00P.M.

DRAFT FOR PUBLIC HEARINGS

1

October 1, 2023

Mayor, Board of Commissioners, and Residents,

The enclosed budget document serves as an overview of the fiscal year 2023 - 2024 operational and capital plan for the Town of Redington Shores. The intent of this years' budget is to further the Town's progress in improving processes in Town operations while maintaining fiscal responsibility.

In the upcoming year, we have several projects planned that are aimed at improving the experience of residents and visitors in Town. Some of the projects include the rectification of issues resulting from significant deferred maintenance of our wastewater infrastructure, repairs and upgrades to our stormwater system, undergrounding of utilities on the West side of Gulf Boulevard (which is a continuation of the work completed on the East side) park improvements, and purchasing the necessary equipment to continue providing services in our beautiful Town.

The Town extends gratitude to the Town Commission, staff, and members of the community that have aided in the formulation of this budget. The following pages detail the methodology used to compile this annual budget and provide an outline of the anticipated revenues and expenditures required to achieve the goals set forth by the Commission to serve our residents, businesses, and visitors.

Sincerely,

Michael McGlothlin, Town Administrator

Milal S. M. Sleen.

The Town continues to strive for transparency by evaluating the Town's operational departments to provide a clearer picture of spending patterns and needs.

The capital budget and strategic plan are being restructured to allow the accumulation of reserve accounts for various projects and provide a more comprehensive accounting of capital needs with a focus on strategic planning.

The budgeted Ad Valorem revenue of \$1,744,375 is based on the existing millage rate, which remains unchanged from the previous year.

The proposed budget includes funding a 5% cost of living increase for staff and availability of 2% merit increases on their anniversary date.
