A **Regular Meeting** of the Parks and Recreation Advisory Committee of the Town of Redington Shores, Florida, was convened at 5:00 p.m.

**1. ROLL CALL**

**2. OLD BUSINESS**

- a. None

**3. NEW BUSINESS**

**a. Introductions**

Each member gave an update on where they were living and/or when repaired or new home will be livable. Everyone had a tale to tell and the end is in sight. We have not been able to connect with our new member.

**b. Discussions**

Previously the town had two separate committees: Parks and Recreation and Beautification. Because the goals overlapped the committees merged and the committee is currently called Parks and Recreation. Past projects included improvements to the Nature Park, evaluating and making recommendations for the Beach Accesses and planning to update signs around town. We discussed that the name Parks and Recreation does not represent our focus. We would like to consider a new name to better represent us.

**c. Commissioner Interface**

We could use guidance from the Commission about their proprieties for our committee to make good use of our time.

**4. MISCELLANEOUS**

- a. The Parks and Rec committee will meet at 5 pm on the last Wednesday of each month. This schedule coincides with the Commission Workshops.

**5. ADJOURNMENT**

There being no further business before the Committee, the meeting adjourned at 6:00 p.m.

**Prepared by:** Bonnie Utz

**Date Approved:** March 25, 2026
