Re: New Mural at Constitution Park

Artist Sam Stevenson has completed the beautiful postcard mural at Constitution Park. Staff suggested that Sam look at the other side of the building to possibly add another mural there for the playground side of the park. Sam's suggestions for a new mural will be presented at the meeting.

Re: Park Project Updates

DOG PARK

Commissioners have previously discussed this project and directed staff to research the feasibility of a dog park in town. Constitution Park was selected as the best location. Staff researched fencing and turf/drainage. The fence quotes came back higher than expected and the turf/drainage research is delayed. Staff recommend tabling this project discussion until the spring. That will provide enough time to thoroughly research the most cost-effective options that will adequately suit our needs.

KAYAK LAUNCH

Commissioner Hoyt previously presented a suggestion she received from one of her residents – for the installation of an additional kayak launch in District 2. After researching the launch, it is the opinion of staff that this project should be tabled due to difficulties with vendors, difficulty with the launch location, concerns over parking and trash, and lack of interest expressed by other residents. Although an additional kayak launch in District 2 would be a nice offering, the town already has a kayak launch conveniently accessible to all residents at Nature Park.
